

Renaldo Sales & Service, Inc. - RTME1100 Transplanter

3/1/2010

RTME MODEL	DESCRIPTION (ROWS/BEDS)	# OF UNITS	TOOL BAR LENGTH	# OF DRIVE WHEELS	BASE PRICE HYDRAULIC DEPTH CONTROL
E-1100	Single Unit	1	0'	0	\$ 8,019.96
E-1101	1/1	1	8'	2	10,663.00
E-1102	2/1	2	8'	2	18,492.76
E-1103	1/3	3	16-20'	2	28,328.41
E-1106	2/3	6	16-20'	4	58,428.36
E2-1102	2/1	1	8'	2	16,884.37
E2-1104	4/2	2	12-14'	2	33,490.80
E2-1106	6/3	3	16-18'	4	52,260.97

E2 Units Are Double Units on Single Frame - Fixed Side-By-Side Spacing

Standard Equipment Included With Base Unit

- Tool bar with category II or III three point hitch and complete drive assembly
- Drive tires on 1, 2 and 4 row units: 2-760-15, 6 ply (traction bar type)
 - Drive tires on 6 row units: 4-760-18, 6 ply (traction bar type)
 - Standing work platform which runs the length of the planter
 - Plant storage rack - two per planting head
 - All models come completely assembled from the factory

Optional Equipment

PART NO.	DESCRIPTION	PRICE
BURNER-E/E2	Plastic mulch hole burner (per one row unit)	\$408.00
WATER-E/E2	Water injector (per one row unit) less water pump. Electric or hydraulic pump	786.24
2088-313-145	Shur Flow electric water pump (for use on one and two row units only)	350.00
9303C-HM2	Hypro hydraulic water pump (for use on three row units and up)	795.25
9303C-HM2-KIT	Hypro hydraulic water pump assembly includes water & hydraulic hoses, mounting bracket, manifold, hydraulic water pump and gauge. Storage tank not included.	1731.20
AUTO-LH1101	Conversion kit for hydraulic depth control (one row) conversion	2,389.00
AUTO-LH1102	Conversion kit for hydraulic depth control (two row) conversion	4,979.00
AUTO-LH1103	Conversion kit for hydraulic depth control (three row) conversion	5,623.00
AUTO-LH1103	Conversion kit for hydraulic depth control (six row) conversion	11,660.00
STOR-KIT-E	Additional plant storage rack(s)	221.00
CAT-ALL	Universal hitch (CATI, CATII, CATIII, Sleeve Type) fits all tractor configurations	1,977.27
MTR-KIT	MT plant storage rack (one needed per planting head)	550.53
T-1	20# propane tank cylinder bracket	94.50
T-2	100# propane tank cylinder bracket	165.41
STKMKR-KIT	Stake marker kit (per row)	91.93
PAC-KIT	Reciprocating packing wheel system (needed for plastic mulch)	558.75
PAC-KIT E2	Reciprocating packing wheel system (per double unit)	795.00
SPRO-KIT	Spacing Sprocket Kit for RTME & GVB: A-24, A-24A, A-24B, A-24C, A-24D	175.14
RTMEP-SWC	Seated Work Cell for RTME1100 (per seat, one per planting head needed)	200.53
