

# Kohler CV173 Engine

## New and Improved Engine for the RTC420

*Replacement Engine for all motorized 420 units.*

Specifically designed for Renaldo  
Sales & Service

Seamless mounting on any model  
RTC420 Tank Mover

The Kohler Command Pro CV173 is the ideal engine for the propane industry. An industry that demands both performance AND durability. The metal shroud and thick molded air cleaner cover can endure the bumps and bruises our previous engines could not.

The mounting bolt pattern for the CV173 matches the engine mount for all versions of the Renaldo 420 Tank Carrier series. (RTC420NG, NH and NG3). This allows for a seamless installation, no matter how old your current unit may be.

The CV173 will come complete with a kill switch and choke lever installed in our factory. Both the choke and pull start of the engine are positioned at the rear of the Tank Carrier to make starting the unit as easy as possible.

The engine also comes with a 3 Year, Unlimited Hour Warranty that starts at the point it reaches the end user. This covers any performance failure and manufacture defects.

Stamped metal shroud and heavy  
duty, plastic air cleaner cover for extra  
durability.

3 Year Limited Commercial warranty!

## Specifications

**Engine:** Four-Cycle, Gasoline, Alum Block

**Gross Power (2600 RPM):** 7.75 ft-lb

**Displacement:** 10.6 cu in (173cc)

**Bore:** 2.8 in. (70 mm)

**Stroke:** 1.8 in. (45 mm)

**Compression Ratio:** 8.0:1

**Dry Weight:** 36.2 lb (16.4 kg)

**Oil Capacity:** 0.63 qt (0.6 L)

**Oil Recommendation:** 10W50 Synthetic

**Lubrication:** Dual Pressure Lubrication with  
full flow filter and splash

**Dimensions:** 15.7" x 13.9" x 11.1" (399 x  
353 x 281 mm)

**Shaft:** 7/8" Keyed

## Features

- Clean-Change Technology for easy oil changes
- Rear facing Easy-Pull starting
- Side mounted, easy access choke
- Easy access, engine kill switch
- Steel stamped engine cover and recoil
- High mount oil dipstick
